**Subject:** clarification on Wed night council meeting

Hi Joe,

I am seeking some clarification from last night's meeting. You said West Side Soils won't include the Flat because the data for the Flat shows action levels are below standards set for Butte. But I've been reporting since September that West Side Soils includes the Flat and EPA has never asked for a correction nor ever tried to refute that.

Can you explain why?

## **Ex. 5 - Deliberative Process**

Can you clarify?

Did I hear you correctly as saying that EPA has known people are out there in West Side Soils

## **Ex. 5 - Deliberative Process**

Deadline end of day.

Thanks,

Susan
